

Know What You Owe

www.nslds.ed.gov

The National Student Loan Data System has information about your federal student loans.

To review your loan information, you will need:

- ◆ Social Security number.
- ◆ First two letters of your last name.
- ◆ Your date of birth.
- ◆ Personal Identification Number.

The PIN assigned to you when you completed the FAFSA.

Note: NSLDS does not display information about private student loans. For information on those loans, contact your lender.
